Contributors and Acknowledgments

The Editors

ROBERT T. FRANCOEUR, M.A., M.S., Ph.D. Trained in embryology, evolution, theology, and the humanities, Dr. Francoeur's main work has been to synthesize and integrate the findings of primary sexological researchers. He is the author of 22 books, contributor to 78 textbooks, handbooks, and encyclopedias, author of 58 technical papers on various aspects of sexuality, and editor-in-chief of *The Complete Dictionary of Sexology* (1991, 1995). A Fellow of the Society for the Scientific Study of Sexuality, he is professor emeritus of human sexuality at Fairleigh Dickinson University, Madison, New Jersey, USA. In 2003, Dr. Francoeur joined the National Advisory Council for implementation of the former U.S. Surgeon General David Satcher's *Call to Action to Promote Sexual Health and Responsible Sexual Behavior 2001*. 4310 Cleveland Lane, Rockaway NJ 07866-5811 USA; rtfrancoeu@aol.com

RAYMOND J. NOONAN, Ph.D., is an assistant professor of human sexuality and health education, and chairperson of the Health and Physical Education Department at the Fashion Institute of Technology of the State University of New York (FIT-SUNY) in Manhattan. Dr. Noonan has written and presented on sexuality in the environment of space, sexuality and the Internet, philosophy and sex, heterophobia and sex negativity in American culture, and sexual expression in musical lyrics. He was coeditor of *Does Anyone Still Remember When Sex Was Fun? Positive Sexuality in the Age of AIDS* (3rd ed., 1996). He also produces SexQuest.com, providing educational consulting in human sexuality and educational content for the World Wide Web. Health and Physical Education Department, FIT-SUNY, 27th Street and 7th Avenue, New York, NY 10001 USA; 212-217-7460; rjnoonan@SexQuest.com

Associate Editors

Africa: BELDINA OPIYO-OMOLO, B.Sc., is a graduate student in the Master of Public Health program at East Stroudsburg University in Pennsylvania, USA, and a member of the Luo people of Kenya. Ms. Opiyo-Omolo provided extensive network connections with Africans dealing with sexuality and contributed major updates and comments on Kenya, Nigeria, Ghana, Tanzania, and other sub-equatorial African nations. bopiyo@yahoo.com

Europe: JAKOB PASTOETTER, Ph.D., is former Deputy Director of the Magnus Hirschfeld Archive for Sexology at Humboldt University (Berlin), and a member of the Governing Board of the German Society for Social Scientific Sexuality Research. Dr. Pastoetter authored the chapter on Vietnam, updated the chapter on Germany, and personally recruited several key European and African chapters for the *Continuum Complete International Encyclopedia of Sexuality (CCIES)*. Duenzelbach 10, 82272 Moorenweis, Germany; jmpastoetter@compuserve.de

Latin America: LUCIANE RAIBIN, M.S. A native of Brazil, Raibin earned a B.S. and M.S. degree in biology at Fairleigh Dickinson University, Madison, New Jersey, while studying human sexuality with the *IES/CCIES* Editor. As associate editor, she facilitated correspondence with contributors in Colombia, Cuba, and other Latin American countries, provided updates for Brazil, and assisted with translations.

315 South Avenue, Garwood, NJ 07027 USA; L.Raibin@hotmail.com

Information Resources: TIMOTHY PERPER, Ph.D. Besides writing the Preface for *IES/CCIES* and a major discussion on Japanese *manga* for *CCIES*, Dr. Perper provided invaluable advice and helpful discussion on sensitive issues. Dr. Perper is author of *Sex Signals: The Biology of Love*, coeditor of *The Complete Dictionary of Sexology*, and coauthor with his wife, Martha Cornog, of several major texts on sexuality. 717 Pemberton, Philadelphia, PA 19147 USA; perpcorn@dca.net

Information Resources: MARTHA CORNOG, M.A., M.S., is a linguist and librarian. Ms. Cornog was a reliable source of advice and information for *IES* and *CCIES*. She is coauthor with her husband, Timothy Perper, of the award-winning *For Sex Information: See Librarian*, coeditor of *The Complete Dictionary of Sexology*, and editor of *The Big Book of Masturbation from Angst to Zeal*. 717 Pemberton, Philadelphia, PA 19147 USA; perpcorn@dca.net

Authors of Individual Chapters

Preface:

TIMOTHY PERPER, Ph.D. is a Philadelphia-based independent sex researcher and writer, behavioral biologist, expert on human courtship and flirtation behaviors, author of *Sex Signals: The Biology of Love* (1985), coauthor of *For Sex Education, See Librarian* (1996), author of numerous professional articles on human sexual behavior, an elected fellow of the American Anthropological Association, and coauthor of a *Sexuality and Culture* monograph, *Eroticism for the Masses: Japanese Manga Comics and their Assimilation into the U.S.* 717 Pemberton, Philadelphia, PA 19147; perpcorn@dca.net

Introduction:

IRA L. REISS, Ph.D. Professor of sociology at the University of Minnesota, Dr. Reiss is former president of the International Academy of Sex Research, the National Council on Family Relations, and the Society for the Scientific Study of Sex, recipient of the 1990 Kinsey Award for Distinguished Scientific Achievement, and author of eleven books and more than a hundred professional articles. His latest books are *Journey into Sexuality: An Exploratory Voyage*, *An End to Shame: Shaping Our Next Sexual Revolution*, and *Solving Sexual Crises: Rape, AIDS, Child Sexual Abuse, Teen Pregnancy*. 5932 Medicine Lake Road, Minneapolis, MN 55422 USA; reiss001@atlas.socsci.umn.edu

Argentina:

SOPHIA KAMENETZKY, M.D. A native of Argentina, Dr. Kamenetzky has dedicated herself to increasing the sexual knowledge of women and organizing sexual education courses. Postgraduate studies in France and study visits to African, Asian, and Latin American countries provided her with an understanding of the roles and problems of women in different societies. She has taught at various New Jersey and Pennsylvania universities and published on issues related to sexuality and health education. (Section 10B, Emerging Issues in HIV/AIDS)

BARRIE J. HIGHBY, Ph.D., is a clinical psychologist in the U.S. Air Force at the Ramstein Air Force Base in Germany. She completed her Ph.D. in Psychology at the University of Kansas in 2001. Her research was on perceptions of the causes and prevention of rape. (Section 8A, Sexual Coercion and Rape.)

LORAIN HUTCHINS, Ph.D., a sexologist and sex coach in Washington, DC, she has researched contemporary forms of sacred sexualities in the U.S., and coedited the groundbreaking anthology *Bi Any Other Name: Bisexual People Speak Out*. Her latest research, a book on *Harlots and Healers*, examines the emerging professions of sex coaching, sacred intimacy, and sexological bodywork. lorainhutchins@starpower.net (Section 2A, Spirituality and Sexuality Movements.)

MICHAEL HYDE, M.F.A., Ph.D. (cand.), is completing doctoral work at New York University and has conducted social research concerning the intersection of gay identity and public aesthetics. His dissertation examines the prescriptive use of literature during the last century as a moralizing agent in American education and homosexual culture. He teaches writing, short fiction, and gay and lesbian literature at Fashion Institute of Technology/SUNY in Manhattan. (Gay and Lesbian Literature)

ARIADNE (ARI) KANE, Ed.D., is a nationally known gender specialist, author, and educator, as well as a diplomat of the American Board of Sexology. (Section 7, Gender Diversity and Transgender Issues.)

SHARON KING, M.S.Ed., graduated from the Human Sexuality Program at the University of Pennsylvania where she completed all but her dissertation for the doctorate. Her specialty is survivor therapy. (Section 8A, Child Sexual Abuse and Incest.)

JOHN MONEY, Ph.D., is professor emeritus of pediatrics and of medical psychology at the Johns Hopkins School of Medicine. Among the many national and international honors he has received are the Harry Benjamin Distinguished Scholar Award, the Masters and Johnson Award, and a special award from the National Institute of Child Health and Human Development on the occasion of its 25th anniversary. Author of numerous seminal and pioneering works on gender and psychosexual development, his major works include: *The Adam Principle: Genes, Genitals, Hormones, & Gender*; *The Principles of Developmental Sexology*; *Vandalized Lovemaps*; *Venus Penuses*; *Gay, Straight and Inbetween*; *Lovemaps*; and *The Destroying Angel*. (Epilogue.)

ROBERT MORGAN LAWRENCE, D.C., is on the Board of Advisors of San Francisco Sex Information. He lectures extensively about sexuality and health. (Section 6B, Bisexuality.)

BRENDA LOVE is author of the *Encyclopedia of Unusual Sex* and has worked at the Institute for the Advanced Study of Human Sexuality in San Francisco. (Section 8D, Paraphilic Behaviors.)

CHARLENE L. MUEHLENHARD, Ph.D., is an associate professor of psychology and women's studies at the University of Kansas. Her research focuses on rape and other forms of sexual coercion, as well as on communication and miscommunication about sex. (Section 8A, Sexual Coercion and Rape.)

RAYMOND J. NOONAN, Ph.D. (See listing under Editors and the chapter on Outer Space and Antarctica.) (Sections 1C, Sex and Terrorism, 2B, Heterophobia, 8A, Clergy Sexual Abuse, and False Accusations of Sexual Harassment and Rape, 10B, Impact of AIDS on Our Perception of Sex, 11E, Sex Surrogates, 12A, Gender Differences in Sex Research, Sex in American Popular Culture and in Music Lyrics, and Conclusion: "Call to Action.")

MIGUEL A. PERÉZ, Ph.D., teaches kinesiology at the Fresno campus of the California State University, where he also pursues an interest in sexuality. (Section 2B, Latino Sexuality.)

TIMOTHY PERPER, Ph.D. (See listing under Associate Editors, and Preface.) (Section 2A, Religious Values and Sexuality.)

HELDA L. PINZÓN-PERÉZ, Ph.D., is a Colombian-born nurse with wide experience in public health. A professor at Pennsylvania State University, her research interest include Latino/a health issues, community health, and Latino/a adolescent health. (Section 2B, Latino Sexuality.)

WILLIAM E. PRENDERGAST, Ph.D., a clinical psychologist at the New Jersey State, Adult Diagnostic and Treatment Center for sex offenders for 30 years, is the author of the *Merry-Go-Round of Sexual Abuse: Identifying and Treating Survivors, Sexual Abuse of Children and Adolescents, and Treating Sex Offenders in Correctional Institutions and Outpatient Clinics*. (Section 8A, Clergy Sexual Abuse.)

CAROL QUEEN has written extensively on bisexuality and other topics related to sexual diversity, including *Exhibitionism for the Shy: Show Off, Dress Up, and Talk Hot* (1995). She is a cultural sexologist in the doctorate program at the Institute for Advanced Study of Human Sexuality. (Section 6B, Bisexuality.)

RUTH P. RUBINSTEIN, Ph.D., is an associate professor of sociology at the Fashion Institute of Technology/State University of New York in Manhattan. Her research and publications have mostly been on the phenomenon of fashion, including "Color, Circumcision, Tattoos and Scars," in *Psychology of Fashion, and Dress Codes and Messages in American Culture*. (Seduction of Fashion.)

HERBERT P. SAMUELS, Ph.D., is associate professor of natural and applied sciences at the City University of New York/Laguardia Community College. (Section 2B, African-American Sexuality.)

JULIAN SLOWINSKI, Psy.D., is a marital and sex therapist at Pennsylvania Hospital and faculty member at the University of Pennsylvania School of Medicine, Department of Psychiatry. (Section 11, Sexual Dysfunctions and Therapies.)

WILLIAM STACKHOUSE, Ph.D., is director of the HIV Prevention Program for the Bureau of HIV Program Services at the New York City Department of Health, and adjunct assistant professor in the Graduate Department of Applied Psychology at New York University. (Section 6, Male Homosexuality and Lesbianism.)

WILLIAM R. STAYTON, Th.D., is assistant professor of psychiatry and human behavior at Jefferson Medical College and adjunct professor in the Human Sexuality Program at Widener University (Pennsylvania) (Section 11, Sexual Dysfunctions and Therapies.)

WILLIAM TAVERNER, M.A., education director for Planned Parenthood Association of Greater Northern New Jersey, editor of *Taking Sides: Clashing Views on Controversial Issues in Human Sexuality*, and coauthor of *Positive Images: Teaching Abstinence, Contraception, and Sexual Health Educating about Abortion*, and *Streetwise to Sex-Wise: Sexuality Education for High-Risk Youth*. (Section 3, Sexuality Education, and Section 9A, Contraception.)

MITCHELL S. TEPPER, M.P.H., Ph.D., has specialized in sexuality and disabilities and received his doctorate at the University of Pennsylvania, Program in Human Sexuality. (Section 5D, Sexuality and People with Disabilities.)

C. CHRISTINE WHEELER, Ph.D., is past president of the Harry Benjamin International Gender Dysphoria Association, and a prolific speaker and writer on gender diversity, counseling, and therapy. (Section 7C, Gender Diversity.)

WALTER L. WILLIAMS, Ph.D., an ethnohistorian, professor of Anthropology, History, and Gender Studies at the University of Southern California, and author of the international award-winner, *The Spirit and the Flesh: Sexual Diversity in American Indian Culture*, and other important ethnographic studies. (Section 2B, Native American Sexuality.)

Vietnam:

JAKOB PASTÖTTER, M.A., Ph.D. Deputy Director of the Magnus Hirschfeld Archive for Sexology at Humboldt University (Berlin) for several years, Dr. Pastötter is a member of the Governing Board of DGSS (German Society for Social Scientific Sexuality Research), book review editor for *Sexuality and Culture*, and European Associate Editor for *CCIES*. A 1998-2000 Visiting Scholar at the Kinsey Institute for Research in Sex, Gender, and Reproduction, his doctorate is in human ontogenetics (Humboldt University, Berlin). His most recent publication is an article on "Pornography as Academic Field of Research" ["Pornographie als Akademisches Forschungsfeld"] in *Sexualmedizin* (September, 2000, 22:247-250). Duenzelbach 10, 82272 Moorenweis, Germany. jmpastotter@compuserve.de

Acknowledgments from Robert T. Francoeur, Editor

First and foremost, I must acknowledge the crucial role of the 280 colleagues who were so convinced of the importance of this project that they took time in their busy professional lives to write on the 62 countries and places that are now in this volume. I thank each one of them for their generous dedication, the time and energy they gave to this "labor of love."

In 1995, Jack Heidenry, a dear friend of 40 some years, stepped in with an invitation to publish the first three volumes with Continuum International the same week my initial publisher refused to publish a multivolume *Encyclopedia*.

In 1996, Dr. Ray Noonan stepped into his labor with *IES* at a critical time in our early production when we needed a copyeditor and graphic design person knowledgeable in sexology. His invaluable services merited promotion to as-

sociate editor for *IES-4*, and as editor for the present volume. *CCIES* would not be if not for his calm, unflappable, and methodical creativity and skills in editing, design, and typography.

Another friend and colleague, Dr. Eli Coleman, director of the Program in Human Sexuality at the University of Minnesota Medical School, must be mentioned. Around 1995, Eli, Kittiwut Jod Taywaditep, and Pacharin Dumronggittigule produced a fascinating insider/outsider picture of sexuality in Thailand for *IES-3*. Just before *IES 1-3* went to the printer, Eli, then Secretary General of the World Association for Sexology, diplomatically facilitated WAS endorsement of *IES* as "an important and significant contribution to our understanding and appreciation of the rich diversity of human sexual attitudes, values, and behavior around the world."

The addition of several new associate editors made the challenge of creating *CCIES* a good bit smoother, so I must thank them: Luciane Raibin for her patient work as my communications bridge with our Latino and Portuguese contributors; Beldina Opiyo-Omolo, a native of Kenya and graduate student in public health administration at Stroudsburg State University, for her research and communications with a half-dozen African nations; Jakob Pastötter, whom I met at the Kinsey Institute in time to prepare an *IES-4* chapter on Vietnam, who then joined *CCIES* as an associate editor. In the last months before publication of *CCIES*, Jakob managed to recruit a dozen enthusiastic experts to write chapters on Botswana, Denmark, Bulgaria, and Switzerland.

Time and time again, Martha Cornog and Timothy Perper, associate editors for information resources, drew on their many years of varied editorial and library experience to advise me on major content and editorial decisions. They always came through just when I needed them most.

Evander Lomke, our Senior Editor at Continuum for *IES-4* and *CCIES*, could not have been more supportive and helpful in guiding us through the intricacies of creating and publishing what started as a 400-page single volume dealing with 20 countries and ended as a unique sexological reference and resource.

Finally, we are pleased to thank UNAIDS HIV/AIDS Information and Data, www.UNAIDS.org, for granting permission to reprint their brief country-by-country Assessment of Epidemiological Situation. The assessments provided in this volume were current as of January 1, 2003, and the latest available at press time. Readers of *CCIES* are referred to the regularly updated assessments and complete information available on the Internet at www.UNAIDS.org.

Critical Acclaim for *The Continuum Complete International Encyclopedia of Sexuality*

1. The International Encyclopedia of Sexuality, Vols. 1-3 (Francoeur, 1997)

The World Association of Sexology, an international society of leading scholars and eighty professional organizations devoted to the study of human sexual behavior, has endorsed *The International Encyclopedia of Sexuality* as an important and unique contribution to our understanding and appreciation of the rich variety of human sexual attitudes, values, and behavior in cultures around the world.

Recipient of the "1997 Citation of Excellence for an outstanding reference in the field of sexology," awarded by the American Foundation for Gender and Genital Medicine and Science at the Thirteenth World Congress of Sexology, Valencia, Spain.

Recommended by *Library Journal* (October 1, 1997) to public and academic librarians looking to update their collections in the area of sexuality: "An extraordinary, highly valuable synthesis of information not available elsewhere. Here are in-depth reports on sex-related practices and culture in 32 countries on six continents, contributed by 135 sexologists worldwide. . . . For all academic and larger public collections."

Picked by *Choice* (Association of College & Research Libraries/American Library Association) as Best Reference Work and Outstanding Academic Book for 1997: "Although this encyclopedia is meant as a means of understanding human sexuality, it can also be used as a lens with which to view human culture in many of its other manifestations. . . . Considering coverage, organization, and authority, the comparatively low price is also notable. Recommended for reference collections in universities, special collections, and public libraries."

"Most impressive, providing a wealth of good, solid information that may be used by a wide variety of professionals and students seeking information on cross-cultural patterns of sexual behavior . . . an invaluable, unique scholarly work that no library should be without."—*Contemporary Psychology*

"... enables us to make transcultural comparisons of sexual attitudes and behaviours in a way no other modern book does. . . . Clinics and training organizations would do well to acquire copies for their libraries. . . . Individual therapists and researchers who like to have their own collection of key publications should certainly consider it."—*Sexual and Marital Therapy* (U.K.)

"... scholarly, straightforward, and tightly-organized format information about sexual beliefs and behaviors as they are currently practiced in 32 countries around the world. . . . The list of contributors . . . is a virtual who's who of scholars in sexual science."—*Choice*

"... one of the most ambitious cross-cultural sex surveys ever undertaken. Some 135 sexologists worldwide describe sex-related practices and cultures in 32 different countries. . . . Best Reference Sources of 1997."—*Library Journal*

"What separates this encyclopedia from past international sexuality books is its distinct dissimilarity to a 'guidebook to the sexual hotspots of the world.' . . . An impressive and important contribution to our understanding of sexuality in a global society. . . . fills a big gap in people's knowledge about sexual attitudes and behaviors."—Sexuality Information and Education Council of the United States (SIECUS)

"Truly important books on human sexuality can be counted on, perhaps, just one hand. *The International Encyclopedia of Sexuality* deserves special attention as an impressive accomplishment."—*Journal of Marriage and the Family*

"... a landmark effort to cross-reference vast amounts of information about human sexual behaviors, customs, and cultural attitudes existing in the world. Never before has such a comprehensive undertaking been even remotely available to researchers, scholars, educators, and clinicians active in the field of human sexuality."—Sandra Cole, Professor of Physical Medicine and Rehabilitation, University of Michigan Medical Center

2. The International Encyclopedia of Sexuality, Vol. 4 (Francoeur & Noonan, 2001)

"... a masterpiece of organization. The feat of successfully compiling so much information about so many countries into such a coherent and readable format defies significant negative criticism."—*Sexuality and Culture*, Paul Fedoroff, M.D., Co-Director, Sexual Behaviors Clinic Forensic Program, The Royal Ottawa Hospital, Ottawa, Canada

3. The Continuum Complete International Encyclopedia of Sexuality (Francoeur & Noonan, 2004)

"... [a] treasure trove. . . . This unique compilation of specialized knowledge is recommended for research collections in the social sciences . . . as well as a secondary source for cross-cultural research."—*Library Journal*, March 15, 2004, p. 64

"... a book that is truly historic, and in many ways comparable to the great sexological surveys of Havelock Ellis and Alfred Kinsey. . . . Many works of undeniable importance are intended to speak about human sexuality. But in this encyclopedia we hear the voices of a multitude of nations and cultures. With coverage of more than a quarter of the countries in the world, . . . not only will the *Continuum Complete International Encyclopedia of Sexuality* remain a standard reference work for years to come, but it has raised the bar of sexological scholarship to a rigorous new level."—John Heidenry, editor, *The Week*, and author of *What Wild Ecstasy: The Rise and Fall of the Sexual Revolution*
